<div class="crrArticle">This Regulation does not cover or apply to administrators of non-significant benchmarks.</div>	Scope	Article 1
<ol class="crrNumList"> <p>The administrator of a benchmark shall ensure that it has available to it all information necessary to enable it to check the following matters in relation to any input data that it uses for the benchmark, insofar as these matters are applicable to the input data in question:</p> <ol class="crrCharList"> whether the submitter is authorised to contribute the input data on behalf of the contributor in accordance with any requirement for authorisation under Article 15(2)(b) of Regulation (EU) 2016/1011; whether the input data is provided by the contributor, or selected from a source specified by the administrator, within the time-period prescribed by the administrator; whether the input data is provided by the contributor in a format specified by the administrator; whether the source of the input data is one of the sources listed Article 3(1)(24) of Regulation (EU) 2016/1011; whether the source of the input data is reliable; whether the input data meets the requirements set out in the methodology of the benchmark, in particular the requirements on the currency or unit of measurement, the tenor, and the types of counterparties; whether any relevant thresholds for the quantity of the input data and any relevant standards for the quality of the input data are met in accordance with the methodology; whether the priority of use of different types of input data is applied in accordance with the methodology; whether any discretion or judgement exercised in contributing the input data is exercised in accordance with the clear rules set out in the methodology and with the policies required to be established by the code of conduct for the benchmark. Administrators shall conduct the checks listed in paragraph 1 on a regular basis. Administrators of critical benchmarks shall conduct the checks listed in points (a), (b), (c) and (d) of paragraph 1 prior to any publication of the benchmark or any instance when the benchmark is made available to the public. 	Ensuring appropriate and verifiable input data	Article 2
<ol class="crrNumList"> <p>The internal oversight and verification procedures of a contributor that the administrator has to ensure are in place in compliance with Article 11(3)(b) of Regulation (EU) 2016/1011 shall include at least the following:</p> <ol class="crrCharList"> establishment and maintenance of an internal function to serve as the first level of control for the contribution of input data and to be responsible for carrying out the following duties: <ol class="crrRomanList"> undertaking an effective check of input data prior to its contribution, including ensuring compliance with any requirement for the validation of input data to which the contributor is subject pursuant to Article 15(2)(d)(iii) of Regulation (EU) 2016/1011, and reviewing input data prior to its contribution with respect to its integrity and accuracy; checking that the submitter is authorised to contribute input data on behalf of the contributor in accordance with any requirement imposed under Article 15(2)(b) of Regulation (EU) 2016/1011; ensuring that access to contributions of input data is restricted to persons involved in the contribution process, except where access is necessary for audit purposes, investigation purposes or purposes required by law; establishment and maintenance of an internal function to serve as the second level of control for the contribution of input data and to be responsible for carrying out the following duties: <ol class="crrRomanList"> conducting a review of input data after its contribution, independent of the review carried out by the first level control function, in order to confirm the integrity and

Article 3

contributor's organisation and also to the matters listed in points (a), (b) and (c) of paragraph 2, the administrator may permit the contributor to have in place a simpler organisational control structure than the one required by paragraph 1. The simpler control structure shall, however, ensure that all the duties listed in points (a), (b) and (c) of that paragraph 1 are performed, except for any duties in respect of which a waiver is granted under paragraph 2. Points (i) and (ii) of point (d) of paragraph 1 shall be applied in a manner reflecting the simpler control structure.

An administrator of a significant benchmark may choose to apply the requirements specified in paragraph 1(b)(vii) in relation solely to actual or potential conflicts of interest that are or would be material conflicts of interest.

This Regulation shall enter into force on the twentieth day following that of its publication in the Official Journal of the European Union. It shall apply from 25 January 2019.
