<ol class="crrNumList">The staff of payment card schemes shall be different from the staff of processing entities. The staff of payment card schemes and of processing entities may perform tasks related to the provision of shared services as referred to in Article 12. <p>The staff of a processing entity may perform tasks related to the design of the single set of rules, practices, standards and implementation guidelines for the execution of card-based payment transactions, provided that:</p> <ol class="crrCharList"> the tasks related to the design of the single set of rules may be performed by other processing entities on a non-discriminatory basis; the design of those rules involves a representative sample of all processing entities participating in the payment card scheme. 	Independence of staff	Article 10		
<ol class="crrNumList">				

<p>Processing entities shall adopt remuneration policies that do not create incentives for their staff to provide a payment card scheme with preferential treatment or privileged information which is not available to other competitors. Remuneration of their staff shall therefore reflect the performance of the processing entity and shall not be directly or indirectly linked to the performance of the payment card scheme to which the processing entity provides services. Payment card schemes shall adopt remuneration policies that do not create incentives for their staff to provide a processing entity with preferential treatment or privileged information which is not available to other competitors. Remuneration of their staff shall therefore reflect the performance of the payment card schemes and shall not be directly or indirectly linked to the performance of a processing entity. Remuneration policies referred to in paragraphs 1 and 2 shall be made fully available to competent authorities upon their request. </p>	Remuneration	Article 11	ORGANISATION	CHAPTER III
<p><ol class="crrNumList"> Payment card schemes and processing entities making use of shared services shall describe in a single document the list of shared services and the conditions, including the financial conditions, under which those services are provided. The single document referred to in paragraph 1 shall be made available to competent authorities upon their request. </p>	Use of shared services	Article 12		
<p><div class="crrArticle"> <p>An information management system that is shared by a payment card scheme and a processing entity shall ensure that:</p> <ol class="crrCharList"> the staff of the payment card scheme and of the processing entity are separately identified via the authentication procedure to access the information management system; users only have access to information which they are entitled to in compliance with this Regulation. In particular, any sensitive information, as referred to in Article 14, of a processing entity shall not be </p>	Use of a shared information management system	Article 13		

accessed by the staff of the payment card scheme and any sensitive information of a payment card scheme shall not be accessed by the staff of the processing entity.				
Payment card schemes and processing entities shall not share information of a sensitive nature that provides a competitive advantage to either the payment scheme or the processing entity where such information is not shared with other competitors.	Sensitive information	Article 14		
<ul style="list-style-type: none"> Payment card schemes and processing entities which belong to the same legal entity or group shall define and disclose publicly on their website a code of conduct, setting out how their respective staff shall act to ensure compliance with this Regulation. The code of conduct shall also set effective enforcement mechanisms. The code of conduct shall, in particular, define rules to prevent the sharing of sensitive information, as referred to in Article 14 between payment card schemes and processing entities. The code of conduct shall be subject to review by competent authorities. 	Code of conduct	Article 15		
CONTENT	SUBTITLE	TITLE		
<ul style="list-style-type: none"> Payment card schemes and processing entities shall ensure that the composition of their management bodies mitigates conflicts of interest for the decision making process between the payment card scheme and the processing entity, including by setting clear and objective criteria under which directorships may be held by the same person at the same time in the management body of the payment card scheme and of the processing entity. Those criteria shall be made public and shall be subject to review by competent authorities. The management bodies of payment card schemes and processing entities that belong to the same legal entity or group shall approve and periodically review conflict of interest policies for managing and monitoring the compliance with this Regulation. For the purposes of 				

paragraph 2 and where directorships may be held by the same person in the management body of the payment card scheme and of the processing entity, payment card schemes and processing entities shall establish:

- a separate management body responsible for decisions related to the payment card scheme activities, with the exemption of shared services referred to in Article 12, and which shall be composed of members of the management body that do not perform any executive function in relation to processing activities. Those members shall advise the management body on the payment card scheme strategy in compliance with this Regulation and assist the management body in overseeing the implementation of that strategy by senior management;
- a separate management body responsible for decisions related to the processing activities, with the exemption of shared services referred to in Article 12, and which shall be composed of members of the management body that do not perform any executive function in relation to payment card scheme activities. Those members shall advise the management body on the processing entity strategy in compliance with this Regulation and assist the management body in overseeing the implementation of that strategy by senior management;
- independent reporting lines from the senior management of either the payment card scheme business unit or of the processing entity business unit, as applicable, to the management body.

The organisational arrangements established in accordance with paragraph 3 shall be made available to competent authorities upon their request. The management body shall retain overall responsibility for ensuring compliance with this Regulation.
