			`<ol class="crrNumList"> <li> <p>`Where separate fees are charged in one or more of the following ways, payment services providers shall provide, in the table Detailed statement of fees paid on the account in the Service column of the respective service on a			

DOCUMENT	SECTION			ARTICLE	separate line, a description of each fee-charging instance, channel or condition (types of fees):</p> <ol class="crrCharList"> - for different fee-charging instances of the provision of the same service, such as an initial set-up fee and subsequent execution fees for the same service; - for different channels through which the same service is requested, used or provided, such as by phone, branch or online; - depending on whether a specific condition for the same service is met, such as adherence to a minimum or maximum threshold amount for credit transfers or cash withdrawals. The description shall be left aligned. The fees shall be displayed in the Unit fee column right aligned. - Where fees are charged dependent on a combination of several types of fees, such as fees that differ by channel and are then further separated depending on whether a threshold amount is met, payment service providers shall, in addition to applying Article 10(5), right-indent the description of each additional type of fee. - Where the fee has changed during the relevant period, payment service providers shall list the fees applied during each period, by adding new lines to the Unit fee column.	Presentation of types of fees	Article 11
					<ol class="crrNumList"> - Where a package of services linked to a payment account is offered with the account and is charged as part of the fees under the sub-heading General account service, payment service providers shall include in the table Detailed statement of fees paid on the account in the row on Package of services the information on the services included in the package in the column Service and the number of the times the package was used in the column Number of times the service was used. In the columns under Fee, payment service providers shall display the fee charged for the package as a whole, and the number of times the package fee was charged during the relevant period respectively as set out in Article 11(1). The row shall be deleted, if the package of services is charged separately from the fee for general account services. - Any fee charged for any service exceeding the quantity covered by the package shall be disclosed in the table listing services and fees as referred to in Articles 1 to 11. - If the number of services in the package is not limited, or where the quantities of services covered by the package have not been exceeded, payment service providers shall delete the statement at the bottom of the row Services beyond these quantities have been charged separately.	Presentation of packages of services charged as part of fees under the sub-heading General account services	Article 12
					<ol class="crrNumList"> <p>Where a payment service provider offers a package of services linked to a payment account with the account and that package is charged separately from any fees under the sub-heading General account services for general account services as referred to in the table listing services and fees, payment service providers shall include the following		

| | | | | information in the table on package of services:</p> <ol class="crrCharList"> in the column on package of services, the brand name, if applicable, or the content the package, by deleting the square brackets; in the Fee column, the fee charged for the package as a whole for the period of the statement of fees, right aligned; in the third column, the number of times the package fee was charged during the relevant period. Any additional fee charged for any service exceeding the quantity covered by the package fee shall be disclosed in the table on service and fees as referred to in Articles 10 and 11. Where the package is charged with regular frequency, the frequency shall be displayed in the Fee column and left aligned, with the total annual cost displayed on the line directly underneath the frequency, in bold type and using the wording Total annual cost. Where different packages incur different fees during the relevant period, the information listed in paragraph 1 shall be provided for each package in a separate table. Payment service providers shall delete the entire table, including the heading Detail of the fees included in the package of service, if a package of services is not provided with the account or if the package of services offered with the account is charged as part of the fee for any general account services. Where the number of all services in the package is not limited, or where quantities of services covered by the package of services have not been exceeded, payment service providers shall delete the statement at the bottom of the table that reads Services beyond these quantities have been charged separately. | Presentation of packages of services linked to a payment account charged separately from fees under the sub-heading General account services | Article 13 | |
| | | | | <ol class="crrNumList"> Payment service providers shall display in the table Detail of interest paid on the account the interest paid by the payment account holder during the period covered by the statement of fees, where applicable. Payment service providers shall display the interest rate in the column Interest rate and as a percentage applied on an annual basis. If the interest rate has changed during the relevant period, payment service providers shall list each interest rate that applied during each period on a separate line. Payment service providers shall display in the column Interest the interest paid by a payment account holder, expressed in the currency of the account, in bold. If the interest rate has changed during the relevant period, payment service providers shall show the interest paid by the payment account holder separately for each of the relevant periods, each on a separate line. Payment service providers shall display the resulting total amount of interest paid by the payment account holder during the relevant period, in bold, in row Total interest paid. Where no interest is paid by a payment account holder because no interest is applicable to the account, and where the inclusion of such information is enabled or | Detail of interest paid on the account | Article 14 | |

				required by national provisions transposing Directive 2014/92/EU, payment service providers shall indicate it by words interest not applicable, in lower case, left aligned, in bold, in row Total interest paid.		
				<ol class="crrNumList"> Payment service providers shall display in the table Detail of interest earned on the account the interest earned by the payment account holder during the period covered by the statement of fees, where applicable. Payment service providers shall replace Account name with the name of the relevant account, in bold. Payment service providers shall display the interest rate in the column Interest rate and as a percentage applied on an annual basis. If the interest rate changed during the relevant period, payment service providers shall list each interest rate that applied during each period on a separate line. Payment service providers shall display in the column Interest the interest earned by a payment account holder, expressed in the currency of the account, in bold, in the column Interest. If the interest rate has changed during the period covered by the statement of fees, payment service providers shall show the interest earned by the payment account holder separately for each of the relevant periods, each on a separate line. Where interest rate is applicable but, for the specific period, it amounts to zero, payment service providers shall display 0 in the column Interest. Where a particular account does not pay the interest because no interest is applicable to the account, payment service providers shall indicate it by words interest not applicable, in lower case, left aligned, in the column Interest. Payment service providers shall display in the row Total interest earned the resulting total amount of interest earned by the payment account holder during the period covered by the statement of fees, in bold. Where a particular account does not pay the interest because no interest is applicable to the account, and where the inclusion of such information is enabled or required by national provisions transposing Directive 2014/92/EU, payment service providers shall indicate it by words interest not applicable, in lower case, left aligned, in bold, in row Total interest earned. 	Detail of interest earned on the account	Article 15
				<ol class="crrNumList"> Payment service providers shall display in the table Additional information any additional information that goes beyond the information covered under Articles 2 to 15 and that is directly related to the services or fees paid or interest charged or earned, or interest rates applied, as referred to in Article 5(2) of Directive 2014/92/EU during the period covered by the statement of fees. The additional information displayed in that table shall include information required by national provisions. In completing the table payment service providers shall follow the presentation format as set out in this Regulation, where applicable.	Additional information	Article 16
